

ALESSANDRO GREGORI

Stanford, CA | agregori@stanford.edu

EDUCATION

Stanford University — B.S.E., Electrical Engineering

Expected 2029

GPA: 4.105 | Honors: National Merit Scholarship Finalist; AP Scholar with Distinction (2023, 2024)

SAT: 1590 (Reading: 790, Math: 800) | ACT: 36 Composite (36 English, 36 Math, 35 Reading, 36 Science)

TECHNICAL SKILLS

Design & Fabrication: CAD (Fusion 360), PCB design & soldering

Programming: C++ (intermediate), Python (intermediate), MATLAB (intermediate)

Domain Areas: Optical instrumentation, biomedical device testing, embedded/avionics hardware

Languages: Italian (fluent), Spanish (beginner), Russian (beginner)

TECHNICAL EXPERIENCE

Bascom Palmer Eye Institute — Research Intern

Jun 2026 – Sep 2026

- Designed and built an optical testing device, as part of a 2-person team, to evaluate EDOF and multifocal IOL performance across various decentrations, including halo and aberration characterization, using a CAD-designed experimental setup around a model eye.
- Collaborated with a research partner to translate optical design requirements into a working test bench.

Bascom Palmer Eye Institute — Research Assistant

Apr 2024 – Sep 2024

- Analyzed OCT retinal scans in support of a clinical study on retinal perfusion.
- Contributed to a study resulting in a peer-reviewed publication.

Stanford Space Initiative — Avionics Team Member

Sep 2025 – Present

- Design and solder PCBs for a student-built satellite as part of the Avionics subteam.

LEADERSHIP & VOLUNTEER EXPERIENCE

- Young Coder's Initiative — Co-Founder & Secretary (2023–2025): Co-founded a nonprofit teaching underprivileged children Python and C++ fundamentals.
- Melody in the Community — Music Instructor (2024–2025): Organized instrument access and music instruction for youth at a local homeless shelter.
- Physical Trainer (2022–2025): Designed and led strength/conditioning workouts for a dozen student-athletes, incorporating nutrition education.
- Coconut Grove Sailing Club — Sailing Coach (2022–2023): Coached sailing fundamentals and managed boat upkeep for youth ages 6–13.

ATHLETICS & ACTIVITIES

- Competitive Sailing (2014–Present): Competed at 3 consecutive ILCA 4 Youth Worlds Championships; invited to the US Sailing Olympic Development Program.
- Varsity Wrestling, Coral Gables Senior High (2021–2023): Two-year varsity letterman; competed at district championships.
- Mock Trial — Vice President & Attorney (2023–2025): Led practices and prepared case briefs; team placed 3rd in district competition.
- Mu Alpha Theta / National Honor Society — Treasurer (2023–2025): Co-founded a peer tutoring program in SAT math and calculus; managed club finances.
